

Emilio Fabbri Memorial Golf Classic

June 18th 2018

8:30 am Registration

10 am Shotgun Start

Emilio Fabbri founded Aaro Window Cleaning Co. and Lakeview Hills Golf Resort. His life was dedicated to God, his family, and lastly his many business interests. Emilio was constantly striving to make every company a success through hard work, dedication and perseverance. His life story was the epitome of the American success story in which a poor boy from the Republic of San Marino journeyed to America during the Great Depression in search of a better life. Emilio started his career as a window washer and quickly began to achieve success through his Sammarinese work ethic. Throughout the years success became no stranger to Emilio, never letting it change who he was or where he came from. He was proud of everything he had accomplished and only wished his children the same success as he did.
